SEXUAL ASSAULT AND HARASSMENT PREVENTION

California Career School is committed to creating a safe and secure campus environment that is free from acts of intimidation or the fear of falling victim to a sexual assault or hate violence.

Sexual Assault Safety Procedures

Persons who believe they have been sexually assaulted or who have been the victim of any kind of sexual offense should immediately report the incident to the Anaheim Police Department by dialing 911. The following is strongly suggested.

1. Get to a safe place.
2. Call the police by dialing 911.
3. If you are not sure what to do, call the Rape Crisis Hotline - 888.272.1767. The advocate will provide you with options and you will not have to give your name.
4. You can also go to the California Career School Operations Office for guidance and assistance.
5. If you are not sure about reporting the attack, but you might want to later, you are encouraged to immediately file a police report in order to obtain a medical evidentiary examination. You always maintain the right to change your mind and not to pursue a criminal complaint.
6. Do not eat, drink, wash, shower, go to the bathroom, douche or clean up. As difficult as this is, your body is a receptor of physical evidence that needs to be properly collected.
7. If you do not wish to make a report to the police, you are still encouraged to seek professional medical advice. It is important not to forget the possibility of sexually transmitted diseases and/or pregnancy. Note: All health care providers are legally required to report to the police all cases of suspected sexual or physical assault.

Physical Evidence

The preservation of criminal evidence is essential and time sensitive to the successful prosecution of most sex offenses. Considering the time sensitive nature regarding the collection of such evidence, it is essential that the Anaheim Police Department be contacted as soon as possible.

Administrative/Judicial Considerations

Students may also contact the California Career School Operations Office for assistance regarding the filing of a criminal complaint and/or confidential report.

Note: Any California Career School student or employee who is suspected of sexual misconduct is subject to both criminal prosecution and disciplinary action under campus policies and regulations. Campus disciplinary action can be initiated even if criminal charges are not pursued.

A California Career School student accused of sexual misconduct is subject to disciplinary action in accordance with the California Career School Student Conduct Code. The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding, and both shall be informed of the outcome of any campus disciplinary proceeding brought forth alleging a sex offense. A California Career School employee accused of sexual misconduct is subject to the applicable provisions and disciplinary action in accordance with California Career School Policies and Procedures. Sanctions for sexual misconduct include, but are not limited to, warning(s), censure, demotion, suspension, or termination of employment.

In compliance with the Campus Sex Crimes Prevention Act, Public Law 106-386 Section 1601 it is noted that the identity of "Registered Sex Offenders" known to California Career School and registered as students or employed by California Career School are available on the California Registered Sex Offenders Website: www.meganslaw.ca.gov
