FINANCIAL AID STATEMENT OF ETHICAL PRINCIPLES

The primary goal of the financial aid professional is to help students achieve their educational potential by providing appropriate financial resources. This statement provides the Financial Aid Professional with principles that serve as a foundation for accepted standards of conduct.

The Financial Aid Professional at California Career School will:

• Be committed to removing financial barriers for those who wish to pursue postsecondary learning.
• Make every effort to assist students with financial need.
• Be aware of the issues affecting students and advocate their interests at the institutional, state, and federal levels.
• Educate students and families through quality consumer information.
• Protect the privacy of students, and ensure the confidentiality of student records.
• Ensure quality by applying all need analysis formulas consistently across the institution’s full population of student financial aid applicants.
• Provide services that do not discriminate on the basis of race, gender, ethnicity, sexual orientation, religion, disability, age, or economic status.
• Encourage professional development and continuing education opportunities.
• Commit to the highest level of ethical behavior and refrain from conflict of interest or the perception thereof.
• Maintain the highest level of professionalism, reflecting a commitment to the goals of California Career School.
