## STUDENT'S RIGHT TO CANCEL AND REFUND RIGHTS

---

---

You have the right to cancel this agreement for educational service, any equipment or other goods and services, as per the cancellation period. Cancellation period: for programs under 50-days in length, 1 business day for each 10; over 50-days, fifth business day following the first class. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice at School address. You can do this by mail, in person, by FAX or telegram to the director of the school listed on front of Agreement. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel this agreement, School will refund any money that you paid within 30 days after your notice is received.

If School has given you any equipment, you shall return it to School within 30 days following the date of your notice of cancellation or, if after cancellation period, your last date of attendance. If you fail to return this equipment in good condition within the 30-day period, School may retain that portion of payment paid by you, and deduct the cost from any refund that may be due to you. Once you pay for equipment, it is yours to keep without further obligation.

You have the right to terminate your enrollment agreement within 3 days of signing the installment contract. Any payments made to the school will be refunded within three days of cancellation. You have the right to withdraw from School any time. If you withdraw from the course of instruction after the cancellation period as in Par 1., School will retain STRF fees paid and remit a refund within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment, as specified on the front page of this agreement, and return it in good condition within 30 days following the date of your withdrawal, School shall refund the amount paid by you for equipment. If you fail to return equipment in good condition, within 30 days, School may retain lesser amount of a prorated portion as described below (up to 60% of course completion) or the documented cost of listed equipment, (for 2<sup>nd</sup> term or reenrolled students, "the documented cost"). You are liable for the amount, if any, by which the prorated or documented cost for equipment exceeds the refund amount. If the amount you have paid is more than the amount that you owe, then a refund will be made within 30 days of withdrawal. If the amount that you owe is more than the amount that you paid, then you will have to make arrangements to pay it.
